## ENCOURAGEMENT FROM THE PASTOR

We celebrated Men's Day In Worship last Sunday. What a day! The Men sang "Victory In Jesus". Then Dr. Greg Denton asked the rest of the congregation to join in by singing the chorus. What a great victory we have through what Jesus did for us! Worship is a weekly celebration available to us all. We get such joy in praising God and expressing our deep gratitude to Him.

Also in that worship hour Al Bailey led the Huddle with the Youth. He shared an entertaining list of fears common today. He mentioned fear of heights, spiders, snakes, public speaking, and death. He also told us some people have a fear of church. He closed by comforting us with a promise from God recorded in Isaiah 41:10. God promises to be with us, uphold us, help us, strengthen us, and uphold us with His right hand. We know He will so why do we let ourselves fear and fret? We have God. Why be dismayed?

During the Sharing Time Ardie Powell gave us a tender update on how things have been going at their house. She reported things are going better than she and the doctors expected. They enjoy company and ask only that we call before we come.

Deacon Chairman Gary Carrell and I also did a little skit during the Sharing Time. The purpose was to create some anticipation for something that will be revealed at the Church Valentine Party February 14. Gary called it "the next big thing". Then he refused to tell us what it is! Some things are worth waiting for.

Neither Gary nor I could know at the time what would happen at the close of the service. After the sermon Shiane Weeks came forward to receive Jesus into her heart. She and I got down on our knees to pray together. Shiane asked God to forgive her sins and be her Savior and Lord. That turned out to be "the next big thing".

As I got off my knees and stood up there was Bob Tuck. The miracle of being born again was his "next big thing". He told me he was now ready to get saved and give his life to God. We got on our knees and Bob repented of all his sins and received forgiveness. Bob transferred his trust from himself to what Jesus has already done for him. When we finished praying I smiled and wished him a happy birthday!

O how we all rejoiced Sunday! Two souls were saved by the grace of God! Enon will be scheduling their baptism soon. God only knows what really will be "the next big thing" at Enon. One thing is for sure; I don't want to miss what God is doing next among us!

Serving with you, *Pastor Glenn*

## Words On Worship

***I am so glad I have the opportunity to share a good word with you from God's Word.***

I am penning this column the week after the Paris hostage taking and killings which were at a kosher supermarket. Yes, there are alarming and troubling events happening all around us and at a very rapid pace. It seems that everything we hear and see from the media could be a cause for concern, worry, or anxiety...if we let it be. As we continue to move into this New Year 2015, I truly believe that God has a plan for believers in the Lord Jesus Christ to continue moving forward... in spite of what is happening in our world.

In 2 Timothy 1:7, we're told: ***For God has not given is a spirit of rear, but of power and of love and of a sound mind.*** If we are living our lives in close relationship with God through His Son, Jesus, we don't have to give into fear or let it take control of our lives. God has given *His* power, *His* love, and the mind of Christ through our union with Him. We can't always control the circumstances or happenings around us, but we do have a choice on how we will react to them.

Psalm 91 says that we can live close to the Lord and abide under His protective covering. What precious promises to hold on to when we see things falling to pieces around us. Friend, My prayer is that Jesus is *your Lord* and Savior and that you can say with confidence, ***"He is my refuge and my fortress; My God, in Him I will trust."***

May God our Father, keep a song in your heart and a smile on your face.

I AM BLESSED,

*Greg Denton*

Psalm 19:14

## Pat Hammond Update

Many of you have asked to help Pat by giving Pat a ride to her radiation treatments.

Her schedule is daily, Monday through Friday, for six weeks. The treatments will take only 12 minutes with additional time for set up.

Her Deacon, Toby Wells, has agreed to be the Coordinator. Contact Toby if you would like to sign up to drive her one or more days.

All of us can continue to pray and encourage Pat.

“The Next Big Thing”

And.....

We will have two Baptisms to look forward to!

## Let's Welcome Two New Members!

Enon celebrated with great rejoicing on Sunday, January 25<sup>th</sup>. Two dear souls came to the front to receive Jesus as their Lord and Savior. Both got on the knees to pray and rose up as new believers in Christ. Praise the Lord!

We welcome into Enon Baptist Church Shiane Weeks. She made her public profession of faith in Jesus and requested baptism. Shiane has been attending Sunday School and worship with Cheri Tuck for a few years now. It is Shiane's strong desire to be a member of Enon.

We welcome into Enon Baptist Church Bob Tuck. Bob also made his profession of faith and requested baptism last Sunday. Bob has been attending Sunday morning worship and our Midweek services. He has been reading his Bible and God has been speaking to him. Bob's wife is Cheri Tuck.

Pastor Glenn will counsel each of these individually. The purpose is to help them to live the Christian life and prepare them to make the most of their baptism experience. A date for their baptism will be announced soon.

**Church Winter Weather Policy**

We will only cancel when necessary. You are responsible for your own safety decisions. If winter weather forces us to cancel on a Sunday we will make that decision by 8 AM and list it on the TV church closings list. If the church parking lot is covered with snow or is icy we will cancel. We will go by the Roanoke County school system, if they close we will likely close as well.

If you have doubts feel free to call your pastor or a deacon.
